

Field Skilled Labor

Job Description

Job Title:	Field Skilled Labor
Departments:	Project Management
Reports To:	Foreman/Superintendent
Location:	Project sites located throughout the United States.

Aptus Group USA is a leading provider of engineered product solutions and installation services for energy, data, and fluid piping systems attached to bridges and tunnels. Our portfolio is built on more than 40 years of practical field experience serving the highway, rail, energy, and telecom markets.

Job Description:

The foundation of Aptus Group USA is our people. We are looking for individuals with talent, initiative and drive to help take our company to new levels of performance. If you're looking for an exceptional opportunity with a company that offers numerous career experiences nationally, Aptus Group USA may be the place for you.

We have excellent opportunities becoming available for the right candidates to become part of our team. We are looking for self starters with leadership skills, good mechanical aptitude and the ability to work diplomatically with other people.

These positions are fast-paced and offer the opportunity not only to work for an industry leader, but also to be a key part of a high performing team that has a direct impact on driving business. Put your construction skills and expertise to use for us and find out just how rewarding a career with Aptus Group USA can be.

Position opportunities:

Skilled laborers with experience in construction, plumbing, or pipe utilities preferable
Foreman and assistant foreman with utility construction background
Entry level project managers with utility and DOT experience
Field superintendents with utility and DOT experience

Job Requirements:

- High School and completion of Vocational School a plus, College degree preferred.
- 1+ years related experience or equivalent role (Utility or Outside Plant experience a plus).
- Class A CDL preferred.
- Proficient in understanding construction plans and specifications.
- Team player with field staff, project management and internal company management.
- Safety standards knowledge and enforcement.
- Ability to remain calm, focused and effective under time pressure situations.
- Self starter with ability to set goals and tasks with strong leadership skills.
- Ability to travel and work at various job sites throughout the United States.
- Aptus Group USA is a Drug Free Workplace. Candidates will be required to pass randomized drug tests.

Applicant requirements:

- Valid United States drivers license
- Valid Social Security Number
- Meet fitness standards for DOT CDL physical / medical card
- Resume with past experience and at least three references
- Ability to travel and be away from home full time (Avg. 85%)
- Must pass a pre-employment drug screen
